OFFICE OF THE CHAIRMAN,

Dated, Bangalore, the 15th Novr. 1947.

To

Secretary to Government,
Revenue Department,

Sir,

SUBJECT Additional staff required for the Special Land Acquisition Office attached to the Trust Board.

Adverting to Government Order No L.401-7/Ml. - dated 5th July 1947 sanctioning the basic staff consisting of

of	One Head Clerk	on	Rs.60/-
	Two Clerks	" ..	Rs.45/-each.
	One Rev.Inspector	" .	Rs.50 + 10 Duty allowance and Rs.15/- Conveyance Allowance.
	One Surveyor	on .	Rs.50 + 15 F.T.A.
	and Six peons ...	on .	Rs.11/-each per mensem

for the above Office, I have the honour to state that the Special Land Acquisition Officer reported in June 1947 alone that the total number of acquisition cases to be dealt with by him would exceed 1,500 at any one time during the year and that for handling ~~over~~ 500 cases, pro-rata staff at the rate of two Clerks on Rs.30/- each, one Revenue Inspector on Rs.50/- + 15/ C A and a peon for the Revenue Inspector was necessary and that this might be sanctioned This was ordered to be kept by at the time a s the work of acquisition had not yet begun so that this question might be considered at a later stage when the actual need arose. Now the Special Land Acquisition Officer in his report No 30/47 dated 3rd October 1947 has, while making out a case for the additional staff asked for, reiterated his previous request for sanction to the enter-

to the entertainement urgently of the Six additional Clerks and Three Revenue Inspectors with one poen for each Revenue Inspector on the pay originally proposed. He adds that the position about the adequacy or the superfluity of the staff of his office may be reviewed after 30-6-48 and the retrenchment or enhancement of the staff effected as may be found necessary. A copy of his detailed report referred to above is enclosed for favour of reference This was placed before the Board at its meeting held on 31-10-47 when it was resolved

"That the additional establishment proposed by the Land Acquisition Officer for his Office be approved and sent up to Government for sanction."

I accordingly request that as resolved by the Board, sanction of Government may kindly be obtained to the entertainment of the additional staff proposed by the Special Land Acquisition Officer.

Report S L A No 30/47 dated 3-10-47 from the Special Land Acquisition Officer, C.I Trust Board, to the Chairman, C I. Trust Board, Bangalore

---

Subject - Additional staff for the A Special Land Acquisition office, C I T Board

---

With reference to G O No L 401-7/Ml. 13-46-131 dated 5-7-47 sanctioning the establishment for this office, I have the honour to state that in my letter No. 30 of 46-47 dated 12-5-47, I had recommended the following scale of establishment for the office

BASIC STAFF

1 Head Clerk on Rs 60-4-80
2. Two Clerks on Rs 45/- each
3 One Revenue Inspector on Rs 50/- plus Rs 15/- F T A and Rs 10/- Duty Allowance
4 One Surveyor on Rs 50/- plus 15/- F T A & 6 peons &

ADDITIONAL STAFF

To depend upon the volume of work to be handled by the office , at the rate of 2 Clerks at Rs 30/-, one Revenue Inspector on Rs 50/- plus Rs 15/- and a Peon for the Revenue Inspector for every 500 cases.

The sanction now accorded is only for the entertainment of the basic staff.

At present, the number of cases on the file of this office is as follows

1	Industrial Suburb	1st Stage	231
2	Do	Do	261
3	Industrial Suburb North Zone		75
4	Industrial Suburb (Timber Yard)		12
5	Improvement of Dobspet and Vasanthanagar		222
6	Kankanpalya Extension 'B' Block		355
7	Kumara Park West Extension		8
8	Improvement of Sultanpet		3
		Total	1167

In addition to this, preliminary notifications are under preparation for the acquisition of lands for the Southern Zone (741 acres and 13 guntas) and for the area south of it ordered by Government to be acquired and kept reserved (866 acres) Further, proposals for the acquisition of lands (264 Ac 10 G) for the 'A' Block of Kankanpalya Extension are also expected shortly from the Board The major portion of the lands to be acquired for the Southern Zone of the Industrial Suburb lies in Jodi Kempapur Village, where, the number of hissas

in each Survey Number is very many, and so correspondingly the number of acquisition cases arising from each Survey Number will be excessive It is expected that the number of cases from the acquisition of 1600 acres of land for the Industrial Suburb which is still in the preliminary stage, will be more than 2500. The total number of all cases, including both those already registered, those actively being built up will come to no less than 4500 Taking into account the disposals that may take place from time to time, I expect the number of cases that will be actually on my file at any given time during the present year (1947-48) will be not less than 1500.

The staff at present sanctioned for my office, is only the basic staff proposed by me This, I need hardly say, is quite inadequate under the above circumstances It has now become absolutely essential to increase the staff, and for this purpose, I have already suggested the rate at which the increase may be sanctioned According to my proposals, and on the basis of an average of 1500 cases on my file, I would want an additional staff of 6 Clerks and 3 Revenue Inspectors (with one peon for each of the Revenue Inspectors). I request that orders of Government may kindly be obtained for the appointment of this staff urgently.

As regards the pay of the staff, I had originally proposed that each Clerk may be given Rs 30/- and each Revenue Inspector Rs.50/- In view of the recent orders of Government revising all scales of pay of Non-Gazetted officials, I would suggest the staff selected may be paid their grade pay with a deputation allowance of 20% of their salary I am shortly submitting another report suggesting a similar revision of the pay of the basic staff also. The position regarding the adequacy or superfluity of the staff of my office, may perhaps be reviewed after 30-6-48 and retrenchment or enhancement effected as may be found necessary

I solicit the favour of very early action

Secretary to Government,
Revenue Department,
Bangalore

Sir,

SUBJECT - Additional Staff required for the Special Land Acquisition Office

With reference to your letter No L 13155 dated the 5th February 1948 on the above subject, I have the honour to state as follows -

In his report dated 3-10-1947, the Special Land Acquisition Officer had asked for an additional staff of 6 Clerks and 3 Revenue Inspectors with one Peon for each of the Revenue Inspectors, on the basis that there would be an average of 1,500 cases on his file In the same report, the Special Land Acquisition Officer had stated that 1,167 cases were actually pending on his file at that time and that a further 2,500 cases were expected from the acquisition proceedings relating to the Southern Zone of the Industrial Suburb, the extended area of the Industrial Suburb and the "A" Block of Kankanpalya Extension, so much so that the total number of cases to be handled by his office would be nothing less than 4,500 In view of these considerations, the Trust Board passed a resolution approving of his proposal to appoint additional establishment The Government have now asked whether in view of the fact that the question of acquiring the Dobspet-Upparahalli area has been given up, any addition to the staff of the Special Land Acquisition Officer would be necessary It is also asked whether in view of the expected delay in the notification of the lands required for the southern zone of the Industrial Suburb, the present staff would not do for the work on hand

In this connection, it may be noticed that the Scheme for improving Dobspet and Vasanthanagar according

the report of the Land Acquisition Officer dated 3-10-1947 involves only 222 land acquisition cases If this scheme is given up, this would mean that the cases actually pending with the Land Acquisition Officer would be reduced to about 940 cases Incidentially, it may be mentioned that final orders dropping the acquisition of the Dobspet-UPParahalli area have not been received yet Even so, assuming that such an order will issue shortly, the reduction ~~of~~ in the number of cases pending on the file of the Land Acquisition Officer would not be very substantial The Acquisition Notification in respect of the Kankanpalya "A" Block involving the acquisition of about 265 acres is expected to issue immediately This would more than make up for the reduction in the Land Acquisition Officer's file on account of the withdrawal of the Dobspet-Upparahalli acquisition Of course, as observed by Government, the Hissa Survey work in Jodi Kempapur has not yet been taken up and this would mean that the acquisition of the extended area of the Industrial Suburb will take some time to be finally notified Even this, however, would not make any difference to the burden of work falling upon the Land Acquisition Officer's office since the Land Acquisition Officer himself has made his proposal on the basis of nearly 1,500 cases on his file The quantum of additional establishment asked for by the Land Acquisition Officer is based upon his proposals for pro-rata staff which have been approved by the Board in its resolution dated 31-10-47 In the circumstances, I am of the view that the additional staff asked for by the Land Acquisition Officer is still necessary Anyway, should there be any hesitation on the part of Government, I would suggest that, for immediate purposes, at least half of the staff asked for viz , 3 Clerks and 2 Revenue Inspectors and a Peon for each of the Revenue Inspectors may kindly be

sanctioned with immediate effect leaving the question of increase of the establishment of the Land Acquisition Officer open for the time being The scales of pay proposed to be given for this additional staff has already been made clear in my letter No D L A 30/47 dated ~~XX~~ 3-10-47

As regards the work on which the present staff is employed, I might state that the staff at present sanctioned is as follows -

One Head Clerk
Two Clerks on Rs 45/-
One Revenue Inspector and
One Surveyor

The Land Acquisition Officer is at present busily engaged in passing awards in respect of the lands acquired in Kethamaranahalli and surrounding villages for the first stage of the Industrial Suburb So far, the Clerical staff of the Land Acquisition Officer was engaged in preparing the enquiry to be conducted by the Land Acquisition Officer in this regard The Land Acquisition Officer has also recently finished the enquiry in respect of acquisition of Dobspet-Upparahalli areas and this was keeping the staff fully engaged all these days About 60 awards have already been passed by the Land Acquisition Officer so far and the payment of compensation in these cases involving a lot of scriptory work is being carried on by the staff At the same time, the staff is also engaged in collecting the materials for the enquiry which is to be conducted shortly in connection with the acquisition of Kankanpalya 'B' block Simultaneously with these items of work, the Land Acquisition Officer has also been entrusted with the work of preparing preliminary notifications in respect of the lands to be acquired in Jodi Kempapur, Jodi Deevatiramanahalli, Karithimmanahalli and other villages to the south-west of Bangalore City for the extended area of the Industrial Suburb Incidentally, I may mention that till very recently, there were only

two Clerks including the Head Clerk in the Land Acquisition Office The third Clerk reported himself for duty as recently as 20th January 1948 Thus, it can be seen that the staff of the Land Acquisition Officer was having its hands full all along

The favour of early orders is solicited

I have the honour to be,

Your most obedient servant,
